

## Order your FREE bowel test kit

by scanning the QR code or visit  
[www.ncsr.gov.au/boweltest](http://www.ncsr.gov.au/boweltest)

Bowel cancer is the second most common cause of cancer death. If detected early, over 90% of bowel cancers can be successfully treated.

## Do the test every 2 years from ages 45-74

People aged 45-49 can request a kit online. People aged 50-74 will continue receiving their kits in the mail automatically.
