

Changes relating to the 2020 NSW cancer incidence and mortality data

Date updated

27 February 2023

Data set

NSW Cancer Registry (NSWCR) - 2020 NSW cancer incidence and mortality data

Summary

Existing data element updates are available in the latest release as described in detail below.

Updated data elements

Primary health network (PHN)

In previous data releases, Albury residents were incorrectly classified as Murrumbidgee PHN. In this release, Albury residents have been removed from Murrumbidgee PHN and reclassified as “Other state PHN”. Albury residents are not part of the NSW primary health network system.

The changes to Albury residents are listed in the table below.

Previous cancer data releases		2020 cancer incidence and mortality release	
PHN code	PHN description	PHN code	PHN description
PHN110	Murrumbidgee PHN	PHN999	Other state PHN
